23rd Congress of the European Society of Veterinary and Comparative Nutrition

University of Turin - Italy
September 18th - 20th 2019

First announcement of the 23rd congress of the European Society of Veterinary and Comparative Nutrition and

13th Residency Class of the European College of Veterinary and Comparative Nutrition

Turin (Italy), 21st November 2018

Dear Colleagues, dear Friends,

It is with great pleasure that we would like to announce our 23rd Congress of the ESVCN which will take place in Turin on 18th to 20th of September 2019 (Wednesday to Friday), right before the ECVIM congress, that will be held in Milan. The Residency Class of the European College of Veterinary and Comparative Nutrition will be organized on 16th to 17th of September 2019 (Monday and Tuesday).

The 2019 Congress will be held in the 18th century headquarters of the University of Turin. The university is located in the heart of Turin, nearby the landmark monument of Turin, the *Mole Antonelliana*, where you can immerse yourself in traditional bookshops and historical cafes and artisan chocolatiers.

We will welcome keynote lectures in comparative nutrition of farm animals, pets and wildlife. You will find all the updated information concerning abstract submission deadlines and registration at www.esvcn2019.unito.it. The information is also attached to this letter. Moreover, the congress will be part of the celebrations of the 250th anniversary of the foundation of the Royal Veterinary School of Turin, which was one of the first schools of veterinary medicine in Europe.

For any further information, please contact us at esvcn2019@unito.it.

We are looking forward to meeting you in Torino!

Achille Schiavone and Joana Nery
