

VETERINARY NUTRITIONIST

We're looking for a VETERINARY NUTRITIONIST to join the Edgard & Cooper team. Your role will be to promote Edgard & Cooper through the creation of relevant, understandable and compelling nutritional information, content and copy for both internal and external audiences. You understand the complexities of every dog's & cat's nutritional needs, and know how their nutritional needs can best be met. You will get the opportunity to become a VETERINARY NUTRITIONIST within the PET category and develop a career within the fastest expanding pet business in Europe!

What makes Edgard & Cooper different: Feel Good Petfood

Good food makes your mind, body and spirit feel amazing. Nothing beats fresh meat and simple ingredients, cooked and packed with nature in mind. But most pet foods are over-processed and come wrapped in plastic. Enough is enough.

Welcome to Edgard & Cooper – naturally tasty cat and dog food that you, your pets and our planet can feel good about.

Our Goal: becoming the number one aspirational, natural pet food brand!

After just 2,5 years of trading, more than 6000 shops in Europe stock our lovely products. We've decided to reach more dogs & cats with our fresh kibbles, so we are looking for some new faces that are developing the Edgard & Cooper range.

The most exciting thing about working at Edgard & Cooper is the fantastic young and close-knit team culture. We pledge to challenge you in ways you haven't been before and push you, so you can grow with us as a business. At the same time, we pledge to help you enjoy work and look forward to going to the office every day!

Key Responsibilities

- Provide detailed technical and nutritional information & trainings on all existing and any new products.
- Train & educate Edgard & Cooper employees & ambassadors.
- Provide dietary management advice in treating pets with certain health problems.
- Design & define nutrition & health programs for our customers & consumers.
- Support sales and marketing programs effectively.
- Write scientific content, articles & blogs for our consumers & customers. Work with the marketing team to define the visuals required to support the stories.
- Provide professional, friendly, accurate and timely response to customers & consumers by email or phone, through the internet and social media sites.
- Discuss and promote the research and science behind Edgard & Cooper products.
- Perform quality & food safety checks through sample testing, as needed.
- Investigate consumer complaints and recommend and implement corrective actions if needed.
- Involvement in all steps in the product innovation process (PIP) leading to launch of new or existing products.
- Assist the product manager in product label claims based on peer-reviewed literature and/or clinical efficacy test results.
- Maintain required documents for Internal and External Audits and Requirements.
- Demonstrate strong project management skills.
- Work effectively with multidisciplinary teams within the company and with external customers and suppliers to accomplish project objectives.
- Comprehend and apply food science and pet nutrition principles effectively in project work.

SKILLS

- Minimum 3 years experience with an nutritional background (within pet) – looking for a next step.
- You are fluent in English.
- Master Degree required.
- Excellent communication skills, including presenting and training abilities.
- Strong interpersonal skills as you will work with diverse teams with different experiences and backgrounds.
- Must be able to use basic features in MS Office Suite (Outlook, Excel, Word, PowerPoint).
- Team player – We love strong team players with ample determination and drive.
- Ambitious, the role is as big as you want it to be!
- Ability to embrace, embody and exude all that is special and unique about Edgard & Cooper

What we offer:

- Competitive salary in line with your experience.
- This is a full time permanent role. Monday to Friday.
- You will wake up every morning, knowing that every move you make is impactful. We offer you a rich learning opportunity in a truly international environment. You will get a lot of responsibilities, and guidance.
- You'll find yourself part of a passionate, professional, results-oriented team helping to improve the health of our pets. We value your ambition and look forward to listening to your career expectations.

IF YOU SEE YOURSELF FITTING IN THIS ROLE AND WANT TO BE PART OF THE TEAM, THEN SEND YOUR RESUME TO LOUIS@EDGARDCOOPER.COM AND SURPRISE US WITH A COVER LETTER THAT SETS YOU APART. WE LOOK FORWARD MEETING YOU!
